ARTHURSOMMER.COM

EDUCATION

HIGH SCHOOL DEPLOMA • 6/18 • MCFARLAND HIGH SCHOOL

Graduated with a GPA of 3.8, achieved 7th place at Skills USA Nationals in the web development competition.

SKILLS

- Proficient with languages such as html, css, javascript, and java
- Have extensive experience with amazon web services
- Knowledgeable in live sound and theatrical lighting
- Can effectively and efficiently program and run shows on Behringer X32 or Midas M32 sound boards, as well as any ETC light board.

EXPERIENCE

IT MANAGER • HARRIS SUPPLY INDUSTRIES • 9/17 – 4/18

Created websites for selling floor equipment, managed other people who also made such websites. Updated and maintained IT infrastructure within office and in the cloud.

COMPUTER TECHNICIAN • FILE13 E-WASTE SOLUTIONS • 4/15 – 9/17

Refurbished used desktops, servers, laptops, tablets, and home entertainment equipment. Also provided customer service to those who bought the equipment I refurbished and put on the hat of a salesman in the show room selling the refurbished equipment.

FREELANCE WEB DEVELOPER • 9/18 – CURRENT

I have spent time with a local musical artist, Seth Charleston, to create a web site for his musical career, sethcharleston.com.

FREELANCE LIGHTING DESIGNER • 9/17 – CURRENT

I have designed many shows for companies such as Express Yourself Dance, Magnum Opus, and Aligning Stars Theater.

VOLUNTEER EXPERIENCE OR LEADERSHIP

Student auditorium manager in Aud Squad, light designed over 40 musicals and other performing arts performances, Webmaster and online editor for The Spartan Spotlight, member of National Honor Society, and Web developer for Spartan Manufacturing.
